Portuguese lady, and sent about his basiness.

The case for the defence was then opened by Mr. Hazeland, who submitted that Mr. Francis had not proved anything litto what he had not proved anything litto what he had the point of the case, and that after the stated in opening the case, and that after the evidence which he should be no risk in giving greater latitude which he should be no risk in giving greater latitude which he should be no risk in giving greater latitude which he should be no risk in giving greater latitude which he should be no risk in giving greater latitude which he should be no risk in giving greater latitude to their discretion, and he would there which he should not state the plaintiff at all.

The case for the defence was then opened by were many offering of undoubted sequrity. The case for the plaintiff at all.

Out the right hand side, by the old blacksmith shop, what stands where it was four fast failing dancers danced and danced the burnt down next year will be two weeks more nor a year, what ish painted red, as you go home init your back be missing and way, leaving the floor to the remaining two him painted red, as you go home init your back be missing and way, leaving the floor to the remaining two him painted red, as you go home init your back be missing and way, leaving the floor to the remaining two him painted red, as you go home init your back be missing and way, leaving the floor to the remaining two him of terpeichoreau devotes. The band of the painted red, as you go home init your back be lind you, on the right hand shop, what stands where it was two way, leaving the floor to the remaining two him of terpeichoreau devotes. The band of the painted red, as you go home init your back be lind you, on the right hand shop, what stands where it was two way, leaving the floor the fair and played, and the work the shop and played, and the work the shop and played, and the painted red, as you go had been the shop and played, and the painted red, as you go had been the shop and played be no case for the plaintiff at all.

Mr. Boyer was called, and said that he had paid the money to M. Boyer was called, and said that he had paid the money to M. Boyer and can be plainted by supplied the money to M. Boyer was called, and said that he had paid the money to M. Boyer was called, and said that he had paid the money to M. Boyer was called, and said that he had paid the money to M. Boyer was called, and said that he had paid the money to M. Boyer was called, and said that he had paid the money. That the Regulations of the Hongkong they supplied the moving power to keep the fourth hour the musicians grew foeble, but still denoted a number of bottles of wine made from toa. The natural tea-wine they supplied the moving power to keep the fourth hour the musicians grew foeble, but still he will be fourth hour the musicians grew foeble, but still he will he will be fourth hour the musicians grew foeble, but still he will he tiff's account. He told her be wouldn't pay a cent of a cent (He produced his books, in which Madame Loger was debited the amount of the Company, being expanged from the Regulation of the difference). When the first letter are in the words following being substituted in lieu and "empeddes" him to write to her, but witness was to keep them and write to M. Marti not to keep them and write to M. Marti not to keep the approval of the Consulting Committee, what is to say:

"2. They may invest, at the direction and the parties for the dame came on, and the first letter are in the Company, and the Regulation of the Gifference). When the first letter are in the words following being substituted in lieu and the prize dame over the juws of the reflection:

The Belfast News Letter reports the death in death went on. After five hours had elapsed, was to keep them and write to M. Marti not to the approval of the Consulting Committee, what is the the first being a ond to the described on putting an ond to the mercy, though recklets quartet suidide. However, no interference was in the words followed her example, and the prize dame over the juws of the reflection:

The Belfast News Letter reports the death in death went on. After five hours had elapsed, one of the ladies fainted, and her partner quickly the town of a wom an named Ellen Croghen, at the sample, and, amid cheers; the

pared to follow out the limp of conduct towards China, which Mr. Burlingam; as the same of the Chinase Mission, would have gladly induced them to adopt. So far from this lesing the case, it appears that. A few days after the limit to sean the range open it the limit of the matter of the control of the control of the matter of the matter of the control of the matter of t

administration that will not only assert the first speaks sheets a difference of the Government, but cally about capturing this celebrated pirate, at capturing this celebrated pirate, at capturing this celebrated pirate, at capturing the cally about capturing this celebrated pirate. This being spoonded by Mr. Hellius, was care some time detained by the American Govern. Stolboart very genterily bung one named will protect American citizens and American dispersion of the Pertition of VERY large traffic exists between the property." It is evident from this that the thought M. hoyer heard greatened greater the convergation great deal too kindly.

Louis Johner was present at the convergation on the reneint of M. Marti's first letter, and corresponded M. Hoyer's statement. M. Boyer (Washington, Vanuery 5th, despatch to the New York Herald)

Mr. Brown will bring much important information in regard to the true opinion of the Celestalias. The Evangelist." whose profession "is tial rulers upon the doings of Burlingame and that of consulting physician for sick souls when the original family ductor finds that his his resociates and Mandirins. pharmacy has lost its efficacy." . The Elder, AN IMAGINATIVE CORRESPONDENT, while stirring up a " refreshing revival" in the Who is the "special" who sends the following Bereau Baptist Church, preached against amneing nonsense to the Cologne Gazette f swearing, and said —

A correspondent of the Cologne Gazette, wri. "I will give you, my dear friends, a picture ting from Shanghai, states that the respect of the from a scene in bell. The Devil is sitting in

Chinese for the power of European States is by his private office, receiving the souls as they no means increased since they have seen his are brought to him from the upper world. In Boyal Highness the Duke of Edinburgh: This, comes an inferral gaoler, conducting a soul toyal Highness the Duke of Luminorgu: 2010, comes an interior gatoer, canducting a sout however, is not the fault of the Prince, who is to evertisiting flames. "Who were you?" asks father to be pitied than blamed. It had been the Devil, as the calprit was brought to where randoured before his arrival that the son of the he was sitting "Secretary Henjamin, of the Queen of England was ten feet high and had Confederate Cabinet," was the veply. "Oh, three eyes. Great and not unnatural disap-pointment was, therefore, experienced when it Devil, as he turned the leaves of his ledger, and rantages of height and vision than those always show consideration to those that have enjoyed by ordinary mortals. The British showed it to me. I've got to take you in, but residents have been much humiliated by this Pit try and make you as comfortable as unavoidable destruction of an illusion which possible." To the attendant: "Show Mr. had taken a powerful hold on the minds of the Benjamin to a place as near as you can get him natives but their position has to some extent to a current of nir." The next arrival was a been alleviated by the importial conduct of the man who had killed his mother in law. He Chinese magistrates with reference to their was hong in Cincinnati. "Take him away," new church. Ramours had been circulated said the Devil, "but treat him kindly. The that evil spirits were at work in this new church | chances are two to one that he isn't much to le and great excitement pervaded the community. blanc. I remember his case. His mother-in-In order to quell this excitement and promote his came here three weeks ago. She looked as peace, one of the Chinese magistrates took the Though she wanted killing. She's over in No. decisive measure of causing the credulous libel. 63. Put him there, and set the old woman in lers of the church to be equally flagged through front of the furnice. No. 63 is too cod the sacred edifice. This measure has been for her." Pretty soon another victim attended with the happiest results, and there arrives. "What has brought you here?" asks the have been no more rumours of a sinister Devil. "My case is a hard," was the reply, insture. Would that our ecclesiastical troubles | "I am here just because I swore." " Decause t at home could be ne speedily and satisfactorily you swore?" asked the Davil, rising sugrily from his chair, "Yes, that's all the sin I ever. laid!-Pull Mull Gazelle.

ilid." "All the sin?" echoed the Davil; " all the sin? Why, you mean, despicable, con-temptible, low-lived vagabond," said the Devil, PULLOLOGICAL SIGNS. (Pall Mall Gasette, Jan 4.) all as he brought his fist down on the table, "there Figures of aneech are common but in Persian there appears to isn't a corner here that's bot enough for you. be a usage which may be more properly called Of all the sixty thensand preachers that spend the speech of figures." In the last number their Sundays in blackguarding me, not one of of the Journal of Philalogy, Mr. E. H. Palmer, them ever yet accised the of swearing. the well-known Orientalist who accompanied the Sinaitic expedition, has written a short faned the holy name of your Baviour paper, in which he has solved a riddle which had who forgave his enemies upon the completely halfled all preceding scholars. It and died to have saved you from here? occurs in a satirical poem by Firdansi, and is You did this, did you?" The trembling upressed in the following mysterious language: culprit made no reply. "Why," continued the The band of Sah Mahmud, of noble origin. Devil, whose voice arose as his wrath intensified, a nine times nine and three times four." "why, there's no excuse for you A man by Performing the arithmetical operation in an unlacky blow may kill another one. In dicated we find that the hand of Shah Mahmud, pressing temptation a man may steal; he may f noble origin, is 93, and are as wise as before. He to save his neek or to cheet his neighbour. M. Moul conjectured that the allusion was to There's some excuse for him. The profanesome game, but Mr. Palmer conclusively shows a searcr has no excuse! Attendant, take this that this is not the explanation. "The accuract scoundred out of my sight. Put him allusion," he says, " is not to any game; but to up to his neck where the coals are the hottest.

a particular method of counting with the and then put somebody to sit on his accurred Engere. This notation is much used bead."

This notation is much used bead."

This," says the reporter. "is a fair sample. a me us of conducting a business transaction of the Eider's style;" and if so, there can be

privately between two parties, the price being no doubt as to its "awakening" character. named and agreed upon white apparently merely shaking hands." According to this MISCELLANEOUS notation, which Mr. Palmer fully explains, " to NEW AXION, thurn in the bush is worth express 93 the hand must be entirely closed; two in the hand. and a 'close firt' in Persian is synonymous Professor Gampee proposes a new plan with niggardliness just as an 'open hand' is the to kill the animals by inhaling carbonic symbol of liberality. To say, then, that Shah oxide, then bleed them, and then lee them. It Mahmud's hand is 33, is merely equivalent to is said that hodies thus " cured" will keep from calling him 'close fleted' or univerly." And a three to twelve months .- Pablic Opinion. very delicate way it is, we think, of doing it. POSTHUMOUS RELIC OF THE LATE DR. OHERON.-What fintingabilary alarum india-DANCING WITH A VENCHANCE. pensable to the exterior of the modern Æscu-A lew evenings since a ball was held in one lapien habitation, may be said to resemble a feminine exponent of the histrionic art?-The if the balls of the city, at which a large numer of the young folks were in attendance. night-bell(e). Among the attractions of the evening was a A Stoppen.—Hinerant Vendor : "Gle us a gold ring, offered to the lady who should out-waltz all competitors. At 12 o'clock the kind (Ihriamas-Box, Guynur! I allus has my Teeth drawed 'cre,"-Practitioner: "All right, my struck up "Il Bacio," and a full dezen comman! Step inside, and I'll take one out for petitors took their places on the floor, entering nothing. [Itingrant Vendor does not seem to for the contest. At the expiration of twenty unnutes four of the couples gave way and took their earls, leaving the rest twicking and whirl. Confusing. Ha

-On the Halderbarrick."—" What! always ? " ing in the dance. One hour more, there was ! f in ling in the dance. One hour more, there was __ Yaw! and before, too."—" How old are you, 95 of but three couples on the floor, and the dance then?"—When the old schoolhouse is built, I when from sheer exhaustion another couple was two weeks more nor a year, what ish gave way, leaving the floor to the remaining two painted red, as you go home init your back be pair of terpaichorean devotes. The hand of minsic played and played and played, and the blacksmith shop, what stands where it was four fast failing dancers danced and danced burnt down next year will be two weeks. and danced, till even those who looked upon now? Dr Thudicom, at a recent lecture at the them grew sick and dizzy. At the end of the OH, TEAL What will the tectotallers say fourth bour the musicians grew feeble, but still Society of Arts, produced a number of bottles they supplied the moving power to keep the dancers going. The arctrement grew intense as the fifth hour of the dance came on, and trace were those present who insisted on puttrere were those present who insisted on put-ting an end to the merry, though reckless illustrate suicide. However, no interference was permitted, and the prize dance over the jaws of death went on. After five bours had elapsed, that lown of a woman named Ellen Croglian, at death went on. After five bours had elapsed, one of the ladies fainted, and her partner quickly followed her example, and, amid cheers, the prize was awarded the other couple who kept the followed to the grave by six of her children—prize was awarded the other couple who kept the followed to the grave by six of her children—flowed to the grave by six of her children der medical treatment. The girls had to have their shoes cut from their feet, and their limbs were avoiled to an enormous size. The carious certificate, given in 1709 by the young men will hardly recover, and the musigoung men will hardly recover, and the musi-cians suffered terribly, and will never again play at a terpsichorean contest. So much for entioner Dalgermann, has decapitated exoliabness .- Pi taburgh Gazette, Dec. 12th THE SPANISH GUNROATS.

CORFUSING. Hans, where was you born?"

seedingly well and to my peculiar satisfaction one named Henri Schnerkamp; and that even The Spanish gunboats, which had been for when his brother was syndic the above named some time detained by the American Govern. Stolbeart very genteelly bung one named nent, on the application of the Peruvian Minis. Knotler. He is therefore quite expert at such er, sailed from New York on Sunday, Decem. functions." her 19th, under the coursy of the war steamer | Our American cousins hoast that they are Pixtres. One of them, the Soldado, after get the most "go shead" people in the world. Ho. ting under way, was accidentally backed into a they doubtless are, at present; but if we are dock, where it was instantly attacked by the to believe the Englishman they are not likely to retain their pre-eminence in that respect much The crowd immediately tore down her flag longer. In a ghaetly leading article on the and commenced an attack upon the crew with subject of cholera, in the above paper of the stones and brickbals; and when these were ex. 22nd instant, we are informed that the time hanated threw plants and boards on her dock. approaches when "a railway shall connect. The Spaniards rushed to the armoury and Calcutta with London, and convey the cholerabrought up several rifles. Mr. Mulford begged germ in twelve bours from the Eastern Capital them not to fire. The crowd retreated for a to that of the Western Isles." Now, taking the noment, but no sooner had the musketa been distance by rail between the two "Capitals" set aside than the attack was renewed, and the to be, say 5,000 miles (a by no means exaggeratpaniards again rushed for their arms, and in the ed computation), a train running between Calcul-resence of the crowd commenced to load them in and Loadonin "twelve hours" must travel at with ball cartridge. One of the crowd had struck on average speed of 6663, miles per hour-a scriber, who singled out the assailant, took "killing pace," truly! We trust the company
